## INTERNATIONAL UPDATE

**NOVEMBER 2010**

### South Korea Report

Investing biblical truth into the lives of God's faithful servants is the greatest joy I have ever experienced in ministry. The students at the Word of Life Bible Institute on Jeju Island in South Korea were a delight to teach. Their interest in spiritual things and their hunger for the Word of God was refreshing. The questions they asked demonstrated their firm commitment to mastering the truths of the Bible. Most of these young men and women are training for full time Christian ministry.

Many will focus on ministry in Asia. What a great way to ensure the continued presence of the Gospel in this populous part of the world. We will be returning here November 2011.

### Stateside Ministry Presentations

December 5<sup>th</sup> we will be at Tri-County Baptist Church in The Villages, Florida. I will be speaking twice on the subject of Dispensational Theology. We will also give an update on our ministry. It will be good to be at our home church again! We are looking forward to seeing our many supportive friends.

**You can help us by suggesting that your church invite us to present our work – a work you already support! Contact us with a suggested date, and we will be delighted to work with you or your pastor to set up a meeting.**

### Coming in 2011

A full schedule of overseas ministry to familiar places: Egypt, Jordan, the Philippines, South Korea, Jamaica, and Haiti. Please pray that God will continue to provide the travel funds necessary to fly to all these places.

## Urgent Need: HAITI

Due to circumstances beyond our control, the Haiti Bible Institute is once again homeless. The facility that God provided in 2010 is not available in 2011 -- the owner has put the building up for sale. Pastor Predestin, our representative in Haiti, is diligently searching for our new facility. Because of the earthquake, suitable buildings are hard to come by, so please join us in prayer for this critical need.

The 2011 Modules for Cohort One are scheduled to be held April 13-20 (Module 5) and October 12-19 (Module 6). We would like to

secure a suitable place for the school by January 2011. In the past, God provided a new place when we needed one, and I am fully confident that He will do so again. Please pray fervently for this need.

## Pray Without Ceasing

Will you join us in prayer for these needs?

1. **THE BIG REQUEST: Pray for God to provide a new facility for the Haiti Bible Institute.**
2. Pray that more churches will add *On Target Ministry* to their missionary budgets in 2011.
3. Pray that God will enable supporting churches and individuals to increase their giving.
4. Our personal support level is at 55% and we praise God for the faithful giving of our wonderful Support Team. Pray for God's continued grace to give.
5. Pray for the pastors in Haiti who serve under such adverse conditions.
6. Pray for the students in Jamaica who serve God faithfully and preach His Word every week.
7. Pray for the pastors in Egypt and Jordan as they labor under intense and unimaginable persecution for their faith in the Lord Jesus Christ.
8. Pray for our students in the Philippines and South Korea who are preparing to serve God as pastors and missionaries.
9. Pray for God to bring the perfect buyer for our Wisconsin home.

**Our Prayer:** Thank you, God our Father, for Your goodness to us! We enjoy Your daily provision; and, we are grateful for the unprecedented opportunities you have given us to take the gospel to many lands, and to train the men who are reaching the people for the glory of God.
