INTERNATIONAL UPDATE

MARCH/APRIL 2012

6th Anniversary "Double Issue"

Happy Anniversary: On Target Ministry!

While I was teaching pastors overseas for 40 days (and 40 nights!) On Target Ministry passed its 6th Anniversary. This marks six years of faithfulness. **First**, God has been faithful to us: He has met our needs day by day; He has sustained us by His grace; and, He has opened exciting doors of ministry opportunity. **Second**, you have been faithful to God in your prayers and

giving to the work of On Target Ministry and to our personal support. THANK YOU! We cannot adequately express our gratitude for your loving care and your generous giving to our needs and to the needs of this unique ministry. **Third**, by God's grace, we have been faithful in serving the Lord in the training of national pastors. To God be the glory. We represent our Lord, but we also represent you! We have taken our partnership in ministry seriously and have enjoyed telling our students about our great Support Team who makes our ministry overseas possible! Pray that as we enter a new year of service, that God will continue to use us to commit truth to faithful men.

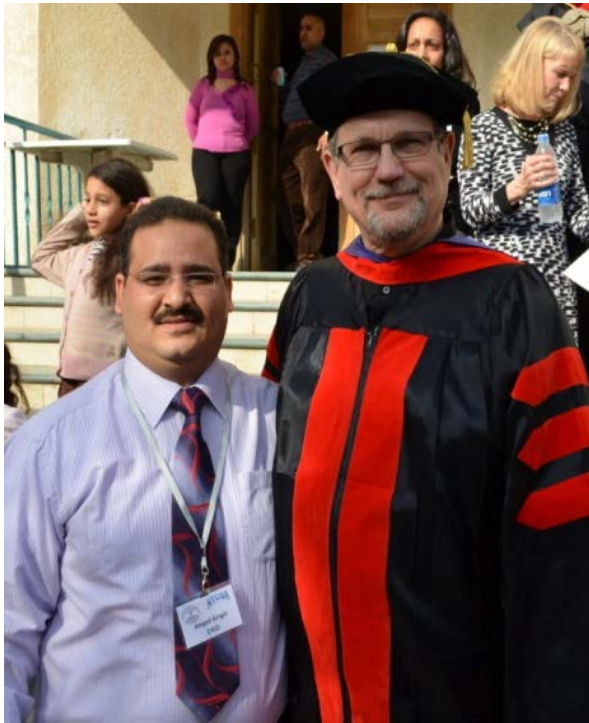

Lebanon Update

In March, our first stop was in Lebanon where we met a wonderful group of pastors and wives who are eager to learn the Word of God. These faithful servants minister in the most challenging places in the world! Several came from Syria and other Middle East nations. When they return home, they take the truth that we committed to them and teach others also. This is Second Timothy 2:2 in action.

Egypt Update

From Lebanon we went to Egypt. Here, in familiar surroundings, we witnessed the graduation of Cohort 3, and I began training the students in Cohort 4. The work that these men and women do for the Lord is both amazing and inspiring. They are willing to risk life and property (literally) to serve God with bravery and boldness. Pray for them! They are impacting Egypt for Christ in ways that only national pastors can accomplish.

The conditions on the ground for the Christians in Egypt are becoming increasingly perilous. Since the overthrow of the government last spring, over 300,000 Christian families have left Egypt for good. That's one million people! If the presidential election this May puts the whole government in the hands of the radicals, many more Christians will seek asylum in other countries. Egypt will become a very dangerous place to be a Christian. Pray!

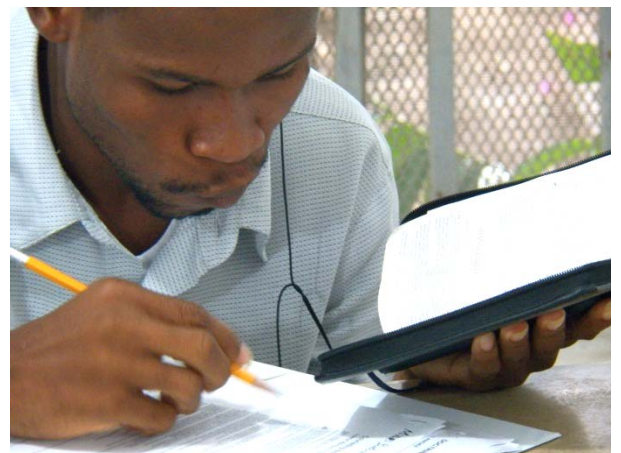

Haiti Update

The next stop was Haiti where we taught Module 7 to Cohort 1. These men have faithfully studied the Word of God in the Haiti Bible Institute for 3½ years. The last Module will be taught this fall followed by a Graduation Ceremony! These men have proven their faithfulness to God and to the work of the ministry. We rejoice in their steadfast commitment to truth.

Urgent Need in Haiti: The rent on our school facility is due July 1st for the second year of our lease. Pray that God will provide the whole \$10,000.

Support Need for Cohort 2: We are excited to report that 14 pastors are now supported in Cohort 2. Classes start when all 20 pastors are fully supported. Pray that this need will be met by Spring 2013.

Special Need in Cohort 2: Owning our own facility enables us to train more than 20 pastors at one time. We have applications from 23 pastors who would be qualified to begin their education in Cohort 2. Pray that if it is God's will that we have more than 20 pastors in Cohort 2, then we will see additional sponsors step forward and support 3 more pastors.

Support Update

We now have 10 churches and 52 individuals contributing to our personal support needs. For six years we have trusted God to meet our needs as we served Him. We continue to rejoice in God's faithfulness as we report to you that we are now at 100% personal support! We are grateful for each church and each individual who faithfully gives to our support.

We also are grateful for those who are supporting Pastors in the Haiti Bible Institute and for those giving generously to the maintenance

needs and the rental cost of the school facility. We also thank God for those who send special gifts *and even anonymous gifts* to meet special needs of On Target Ministry. Because of these gifts, On Target Ministry has a presence in the **Middle East** (Egypt, Jordan, Lebanon), in **Asia** (Philippines, South Korea), in **Europe** (Ukraine, Romania), and in the **Caribbean** (Haiti, Jamaica).

To ensure our future ministry in these and other places, we have created separate budgets to fund each of these fields. This will enable you to direct your gifts for the area of ministry that God lays on your heart. Attached is a "*Directed Giving Support Form*" that enables you to specify where your support will be used to further our partnership in ministry. Just as we saw God faithfully bring our personal support to 100%, we are now praying that God will bring the Operational Needs of On Target Ministry to 100% support. Please pray with us to that end.

ON TARGET MINISTRY

Directed Giving Support Form

I believe that *On Target Ministry (OTM)* is making a great impact for Christ around the world, and I want to be a part of it by giving to these specific needs:

<p>_____ Support OTM in the Middle East</p> <p>The doors are still open in Egypt, Jordan, and Lebanon. We need to budget \$25,000 per year to meet all the expenses required to minister in these Middle East countries. We are training dozens of pastors who are planting churches, preaching the gospel, and making disciples of Jesus Christ. Your support is essential to continue training these faithful men to impact the Muslim world.</p> <ul style="list-style-type: none"> • _____ My monthly support will be: \$500 \$250 \$100 \$50 • _____ My monthly support will be: \$_____. 	<p>_____ Support OTM in Europe & Africa</p> <p>Opportunities for ministry abound in Ukraine, Romania, & Moldova. Ministry in Uganda, Togo, & Kenya has been requested. Currently we are assisting existing ministries in these nations. Some serve as pastors, others serve as missionaries to many other Asian nations. This training is equipping the leaders who are reaching people for Christ! To sustain this ministry, we need an annual commitment of \$20,000.</p> <ul style="list-style-type: none"> • _____ My monthly support will be: \$500 \$250 \$100 \$50 • _____ My monthly support will be: \$_____. 	<p>_____ Help Doc & Anna Support OTM</p> <p>Our personal support is now at 100%.
