INTERNATIONAL UPDATE

MAY/JUNE 2012

Overwhelmed with Opportunity!

Seriously! We are seeing doors of opportunity opening left and right. National pastors have learned about the faithful Bible teaching of **On Target Ministry** and are eager to receive the Word of God to make them better pastors where they serve. Recent contacts from Kenya, Uganda, and Togo in Africa top the list of "new opportunities." A new Seminary in Jamaica is a very real possibility. The only things holding us back right now are the necessary finances to move forward. As one ministry associate quipped, *"The water of life is free, but the plumbing is very expensive!"* Training national pastors overseas is a proven way of committing truth to faithful men. Your investment in this biblical mandate is producing new converts and new churches in every place we minister. Thank you for your help over the past six years. Now that we are beginning year seven of this unique work, we are asking you to continue helping us by:

1. **Giving regularly** (see the "Directed Giving" opportunities on the last page)
2. **Praying fervently** (for strength, safety, effectiveness, and finances)
3. **Promoting passionately** (invite us to speak at your church & ask friends to help)

There is no limit to what God can do through a ministry that tenaciously obeys His Word and carefully operates according to God's plan. Join us in this great adventure!

Jamaica Update

Fairview Baptist Bible College was once again the site of our latest teaching module in Jamaica. Students from the school and pastors from the area were invited to come and learn as we taught a survey of the Books of Moses. Many pastors in Jamaica that we have trained

have been asking for a Seminary level Master's Degree program. Currently, one of our "new opportunities" is the founding of that Seminary program. This school will give much needed advanced Bible training in biblical counseling and theology to men who are serving as pastors in this island nation. Pray that we can move this program forward and start in 2013.

Egypt Update

With the Presidential election now history, Egypt is reeling from a radical change of leadership. Much unrest fills the country. Pray for our students there. Pray for the Christians. In the past year, the dangers to believers in this nation have increased dramatically.

Haiti Update

Our students in Cohort One are presently preparing their doctrinal statements in anticipation of their oral

exams that will be given this fall in Module Eight. Those who pass will graduate! This is a monumental achievement with amazing results for the work of Christ in Haiti. Pastors in **Cohort Two start their training in the Spring of 2013.** We still **need supporters for 6 Haitian Pastors.** Pray about this very practical way that *you* can impact Haiti for Christ!

Support Update

Not surprisingly, once we saw our support reach 100%, we experienced some loss of support. We are always focusing on God for the supply of all our needs! The reasons for the losses are all quite understandable; but, Anna and I now need about \$200/month to once again be at full support. Pray!

On Target Ministry has several new opportunities to expand our outreach and Bible teaching. But we need the committed support of God's people to take advantage of these open doors. *Will you help us by considering one of the giving opportunities on the next page?*

Ministry Presentations

We would love to come to your church to present the ministry of training national pastors overseas. This is the most rewarding work we have ever done for the Lord! We are delighted every day that God allows us serve Him in this unique way. Please give us an opportunity to come to your church and present this exciting ministry. I know you will be blessed, challenged, and encouraged; and your vision for what God is doing in the world will grow!

Prayer Requests

1. **Pressing Need:** At least 6 supporters for the Haitian pastors in Cohort Two.
2. **Special Need:** The RENT is due July 1st on the HAITI BIBLE INSTITUTE.
3. **Praise God:** 14 Cohort Two pastors are fully supported!
4. **New Need:** On Target Ministry Operational Needs are about 50% supported.
5. **Pray:** For new supporters for the work of On Target Ministry and our new opportunities.
