INTERNATIONAL UPDATE

SEPTEMBER 2012

Haiti Graduation Project

Graduation Day is now just 2 months away, and we need your help. We want this day to be a very special day for our students. They have worked hard over the past four years, and they have earned a great day of celebration for their accomplishments. Just look at what these men have done: faithfully attended all 8 Modules of teaching; passed 32 courses in Bible instruction; defended their doctrinal position with oral exams; applied what they have learned in their lives and ministries; and taught others what they have learned. The result is not just a well-educated group of pastors, but also the gospel has been preached with authority, souls have been saved, believers have been baptized, and new churches have been planted!

There is much to celebrate on November 14, 2012. Here is how you can help. The graduation expenses were not included in the tuition cost for each student. The cost of providing caps, gowns, tassels, diplomas, guest speakers, special music, a suitable building, and a myriad of miscellaneous expenses has made it necessary for us to make this appeal: **Will you cover the graduation expenses for one of our Haitian Pastors? The cost per pastor is just \$278.** Please use the form on the bottom of this page to participate in this special and worthwhile project.

Haiti Cohort Two Update

With all the excitement over the graduation of Cohort One, we cannot overlook the great opportunity we have to continue our training of national pastors in Haiti. We have now set the start date for our new class of 20 pastors: Module 1 will be taught February 27-March 6, 2013. We want to admit all 20 of these pastors into the school. So far, 15 have supporters who have committed to sending \$800 a year for the four years of their studies. Please pray about this important need. Will you invest in the life of a pastor in Haiti?

HAITI GRADUATION PROJECT: Yes! I want to help the pastors graduate at HBI.

I am sending _____ \$278 for 1 pastor, _____ \$556 for 2 pastors, or _____ \$834 for 3 pastors.

And I am sending a special gift of \$_____

to be used for general Graduation Expenses.

Please send check in enclosed envelope. THANKS!

Back to the Philippines!

This is Anna and Jessa, a full time student at Word of Life Bible Institute! She is a physically challenged learner: a paraplegic. What a joy she is. Anna is always encouraged by Jessa's love for the Lord and her great enthusiasm.

We will be heading back to the Philippines to teach a very special course to equip the pastors to deal with the ever increasing problem of textual criticism. Pray that God will use this time in the Word to strengthen each student in his love for the Scriptures and the great God who revealed them to us!

Pray also that God will supply the money we need for the airfare. This trip was added to our itinerary after we set our budget for the year, so a special gift to help cover this expense would be greatly appreciated and a big help to us!

Middle East Update

As you surely know by now, the Middle East is in a uproar, and our national leaders seems impotent to do anything about it. Pray for our brothers and sisters in these embattled countries that they will be safe and bold to continue proclaiming Christ to the lost!

Kenya Update

The opportunity in Kenya continues to attract our attention. I plan to make a trip there early next year to assess the situation and work with the national leaders to plan for the establishment of a Bible training program to equip Kenyan pastors with sound doctrine.

Ministry Presentations

Please call me and schedule a presentation of the work of training national pastors overseas. We are available stateside for Missions Conferences, Bible Conferences, and ministry presentations. We would be delighted to come!
