## INTERNATIONAL UPDATE

MARCH 2013

### HAITI BIBLE INSTITUTE

**What a great Module!** Module 1 was our first opportunity to teach **Cohort 2**, and these precious men responded beautifully, worked diligently, and proved conclusively that we have a great group of faithful men to whom we can commit the truth of God's Word. Each man was excited about teaching what he learned to others before he returns in October to study in Module 2.

**Pastor Steve Svendsen** (front L) and **Dr. Allen Monroe** (front R) taught the classes in *Romans*, *Gospel of John*, *Christology* and *James* March 13-20, 2013. The students were eager and excited, and did very well in the courses. Four men earned "Straight A's."

In April, **Dr. Rick Piatt** and I will teach four courses to the advanced students from Cohort 1. Pray for us as we prepare to challenge these eleven men with greater responsibility and accountability in their study of the Bible.

### LEGACY ANYONE?

"This project would make a great legacy for someone." Dr. Allen Monroe uttered these words in response to an amazing opportunity we discovered on our last trip to Haiti. One of our students from Cohort 1 (who will be in the Advanced Training Group next month) showed me a beautiful property that we could buy for the school. The location is great and would be a perfect **permanent site** for the Haiti Bible Institute. It is located in the mountains where it is much safer. The temperatures are cooler making it easier on both students and teachers. The neighborhood is quiet, perfect for teaching. What we need is a plan to raise \$100,000 to purchase and equip it. Pray that God makes this happen if it is His will.

Meanwhile, we want to raise support for 20 pastors to form **Cohort 3**.

Will you help us by sponsoring a Haitian national pastor? You can respond by filling out the form below.

**HAITI BIBLE INSTITUTE SUPPORT:** Yes! I will help support the Haiti Bible Institute by giving:

\_\_\_\_\_ \$4,000 over the next 4 years to support a pastor in **Cohort 3**. (We need 20 Supporters)

\_\_\_\_\_ \$2,000 over the next 2 years to support a pastor in **Advanced Training**. (We need 5 more)

\_\_\_\_\_ A one-time gift of \$\_\_\_\_\_ to the **HBI Scholarship Fund** to help support one pastor.

Please make checks payable to "Faith Community Foundation" and use the enclosed envelope. Thanks!

## WHAT'S NEXT? THE MIDDLE EAST

Next week I will be flying to **Egypt** to train pastors at the National Theological College and Graduate School in Alexandria. Many pastors will gather there to learn truth that will fuel their ministries for the glory of God. Please pray us safely there and safely home again.

## SUPPORT UPDATE: WE NEED YOUR HELP

It has been challenging in this present economy to conduct a full schedule of ministry. Due to a wide variety of reasons, some churches and individuals have had to either drastically reduce or totally eliminate the regular support they were sending us. I know that God is in control of this situation, and I am confident

that He will continue to provide for the needs of the work He has called us to do. My request to you today is for prayer that God will restore the lost support *and* add to it, so that **On Target Ministry** can be fully funded in its work of training national pastors overseas. Should God lead you to respond to this urgent need and support this unique work, you may use the form below. Thank you for your interest in On Target Ministry, and for your prayers and encouragement to us in the work we do.

## PRAYER REQUESTS

- Great Praise!** Cohort 2 of the Haiti Bible Institute has completed Module 1 of their training, and now each man has made plans to teach others what he has learned. *2 Timothy 2:2 in action!*
- Urgent Need:** We have accepted 11 of the pastors from Cohort 1 into the **Advanced Training Program** that begins April 24. We need \$2,000 per pastor to cover the 2 additional years of training. Five more sponsors still need supporters. Will you commit to supporting a pastor?
- Pray:** That God will raise up twenty new sponsors to support the pastors in Cohort 3. Their training will begin as soon as all twenty men are supported.
- Pray:** That God will lead us to a good and affordable larger building for the Haiti Bible Institute.
- Pray:** That God will provide us with our own **permanent building** for the Haiti Bible Institute. If the property that we saw for \$100,000 is the one God wants us to have, pray that God will bring us a donor (or donors) to meet that need.
- Pressing New Need:** The amount of regular committed giving that we need to keep On Target Ministry running a full overseas ministry schedule is **\$3,800 per month**. Pray that God will meet this need in 2013 so that our work of training national pastors overseas will be unhindered.

*By Grace Alone, Doc & Anna Bearss*

**REGULAR SUPPORT COMMITMENT: Yes!** I want to help Doc and Anna continue unhindered their work training national pastors overseas. So I will commit to giving monthly support of . . .

\_\_\_\_\_ **\$500 per month**

\_\_\_\_\_ **\$200 per month**

\_\_\_\_\_ **\$50 per month**

\_\_\_\_\_ **\$300 per month**

\_\_\_\_\_ **\$100 per month**

\$\_\_\_\_\_ **per month**

Please make checks payable to "**Faith Community Foundation**" and use the enclosed envelope. Thanks!

→ I will **INCREASE** my current monthly giving by sending and additional \$\_\_\_\_\_ each month.
