Dear Faithful Friends,

There will be no US Mail version of this letter because Anna and I are still homeless! All our belongings, including my On Target Ministry office supplies are in storage awaiting the day we can move into our new apartment (September 17). If each of you could print off a few copies to give to people in your church who normally get a copy in the mail, I would be very grateful. Thank you.

The **HAITI BIBLE INSTITUTE** Graduation is set for October 5. We will be conducting a teaching module there September 28 – October 5. The graduation is the culmination of four years of hard work and intensive training in the Word of God. Our students are well equipped with sound doctrine, and they are eager to teach it to others. It is exciting to see how committed they are to evangelism and church planting.

Graduation is a very special occasion for our students. We want them to understand the importance of their accomplishment. Therefore, we make sure they have nice Caps and Gowns, a beautifully printed Diploma, printed programs and invitations, professional photography and videography to commemorate the occasion, and a reception. This of course adds to the normal cost of the module. The cost of the graduation is \$5,000 (about \$250 per student). If you could help us with that cost, I know our students will be so grateful, and so will I. Just mark your gift “Haiti Graduation.”

If you are interested in seeing the Haiti Bible Institute in action first hand, contact me and I will help you arrange a visit during this (or a future) module. I guarantee it will change your life! Your vision for the work of training national pastors will soar!

The **FORTY FAITHFUL FRIENDS INITIATIVE** was announced in the last Newsletter and, praise God, three people responded by making the commitment to give \$1,000 per year to the ministry of teaching pastors in **South America**. I am praying this this month, that several more of you will make that commitment so we can continue training pastors in **Colombia** and **Bolivia**. The results of this work are so amazing. God is truly blessing our efforts. Pray with us that the financial burdens will be met so that we can keep teaching truth to these faithful men.

Will you be one of our FORTY FAITHFUL FRIENDS who make this vision a reality? I pray God will lay this need upon your heart, and that you will join us in this great adventure.

This week, Anna and I head back to Colombia where I will be teaching a course called “The History of the Reformation.” We will focus on the great truths that resulted from the realization that Scripture interprets Scripture, so we must be committed to the sufficiency of the Word of God.

Grace and Peace, *Doc and Anna*

Prayer needs:

- We'll be moving again Sept. 17th. This will be our 2nd move this summer. (I'm not a fan of moving!) We move from our storage locker to our apartment. This short move is only \$740.
- The Haiti Graduation is October 5th and will cost an additional \$5,000 for caps, gowns, diplomas, etc. If you would be able to help with that cost, the students would be grateful.
