Dear Friends of On Target,

It has been 3 months since my last US Mail letter. **So much has happened!** We are now able to once again send out US Mail Newsletters. I will summarize the highlights with these bullet points:

- We finally moved into our new apartment in Orlando September 17th
 - We survived Hurricane Matthew in Haiti
 - The Graduation of Cohort 2 in Haiti on October 5th was a great success. Please visit us at www.OnTargetMinistry.org to watch the video highlights of the graduation (20 minute video, excellent)
 - Anna delivered a speech in French at the graduation to the wives of the graduates. Highlights on the video! Must see!
 - We survived Hurricane Matthew again when we returned home to Orlando
 - We were on the last flight into Orlando before they closed the airport
 - Ten new people came along side us to join the 40 Faithful Friends Initiative. What a blessing! We now need just 27 more people to commit to supporting our teaching ministry in South America
 - You can help us complete our mission to train church-planting pastors in Colombia, Peru, Bolivia, Argentina, Venezuela, and Panama by joining the **40 Faithful Friends Initiative**. The commitment is just \$1,000 per year. It will help us greatly!
 - We will be opening new schools in **Orlando** and **Miami** in **2017** to train pastors from Spanish-speaking churches here. This is a bold move to impact the Spanish community in these key cities.
 - **PRAY:** That God will send us the right pastors to learn the truths of God's Word that will transform their churches
 - On Thanksgiving Day, Anna and I will be flying to Colombia to teach the course "*Pauline Epistles*" and speak at the graduation of 30 pastors who will be planting church in Colombia, Bolivia, and Venezuela. Pray for these faithful men
 - **PRAY:** Our personal support is in need of help. We have dropped to 60% due to some individuals and churches who are no longer financially able to support us. The need is just over \$1,000 per month
 - **PRAY:** That 27 new people or churches will join the 40 Faithful Friends Initiative to ensure that the ministry in South America continues and flourishes.
- Thank you** for your prayers and your financial support. If you have internet access, visit our website, and look at the pictures we post on Facebook page: **On Target Ministry**
