Dear Friends of On Target Ministry,

### **PHIL KANE IS IN GLORY**

On Target Ministry Board Member, Philip T. Kane entered the presence of the Lord May 13<sup>th</sup> at the age of 81. He served faithfully on our Board of Directors for seven years. Phil was always a blessing, a faithful supporter, and a great encouragement to Anna and me in our work. We are sad to see him go but glad that his life testimony assures us he is awaiting us in heaven. Therefore, we do not sorrow as those who have no hope (1 Thes 4:13). If you knew Phil, please visit this secure website and leave a message for the family: <https://www.andersfh.com/obituary/philip-kane>

### **SUCCESS IN COLOMBIA**

Our work in Colombia is growing and prospering as we continue to train national pastors in Bogota, Medellin, Fusagasuga, Bucaramanga, and other cities. Eager pastors attend our modules and spend the week in serious study of the Word of God. Over 400 men have already graduated and more will graduate this December. Over 80% of our graduates are in full-time vocational Christian ministry planting churches in Colombian cities where there are no gospel-preaching churches.

### **HAITI UPDATE**

Things have settled down in Haiti. The students are anxious for our return in October to continue the classes at the Haiti Bible Institute. We are delighted that the Lord is keeping this door open so that we can continue to train national pastors to preach the Gospel of Grace and plant new churches. **Your support for HBI is vital.** The next module will cost \$20,000. Please consider a gift (marked "Haiti") to help us continue this unique and valuable ministry. Here is one encouraging report from one of our first graduates:

**Doc Bearss:** There is one thing that I want to catch your attention in case you do not already know it. Haiti Bible Institute is not only a blessing for Haitian pastors on the academic and theological level, but also a blessing on the economic level. After graduation, many students opened their own theology school, some found good jobs, and some received promotions in their jobs. Rubinson Dorce is currently in the USA on a scholarship given by the US State Department for the continuation of these studies. It's a very good encouragement for me to know about this.

May the Lord bless you!  
Pastor Predestin

## THE SUMMER SLUMP IS COMING: HOW YOU CAN HELP

Summer us just around the corner and that is a good thing for many. However, in the summer months, giving to On Target Ministry usually declines. Please help us **maintain our travel budget** by making a special gift to help us through these lean months. Any size gift will be a big help.

Thank you all for your faithfulness in supporting and praying for us. God is blessing us in many ways, and we constantly rejoice in his goodness. Soli Deo Gloria!

Grace and peace,

*Doc & Anna Bearss*
