COLOMBIA: THE HEART OF THE REFORMATION

Colombia is the epicenter for the 21st Century Reformation that is taking place today in all Latin America. We are training students from Colombia, Bolivia, Venezuela, Cuba, and now Guatemala. These students learn solid biblical truth then return to their countries to start new churches and preach the gospel to thousands of people who need Christ as their Lord and Savior.

In 2019, Anna and I traveled to Colombia six times to train pastors. In 2020, we already have seven trips planned. Your support of this ministry is changing lives all over Latin America. Graduates from SRL Seminary in Medellin, Colombia have already planted over 149 new churches and started new schools in many of these countries. Help us continue this valuable work with your support today!

HAITI: FEBRUARY MODULE IS SCHEDULED

As you know, Haiti is in political turmoil, and the people are suffering because of it. As a result of the protests, we were forced to cancel the module last February 2019. In October 2019 we traveled to Haiti for a very specific purpose: to hold a Bible Conference for all our students and graduates. The Conference was a great success that God providentially directed. Over 20 students attended, past and present. I delivered a six-message series entitled

“How to Handle Trouble.” After presenting what God’s Word teaches about trouble in the lives of believers, the pastors were reinvigorated and more determined than ever to pursue their ministries to preach truth and teach others. Most of the pastors requested the outlines of these sermons to preach in their own churches! Everyone said, “This is *exactly* what we needed at this time! My people need to hear this teaching. Thank you for holding this conference.”

Our next module is scheduled for **February 12-19, 2020**. We are determined to go no matter what the political situation is at the time. We are working now to ensure the safety of the professors and the students. Pray that all the students will be able to come and participate in the classes. These students will be ready to graduate in just two years, and we want them to be fully equipped to have very successful ministries. From the reports many students gave at the Conference, everyone is making great progress in their churches, and they are faithfully teaching truth to other pastors.

OTM CRUISE 2019

It was a great cruise! Everyone was blessed by the Bible studies presented by our speakers. Thirty people came, and the fellowship was fantastic. Everyone said they had fun! Stay tuned for the next OTM Cruise in 2021.

NEEDS: HOW YOU CAN HELP

Year-end Donation: We need your support in December to stay on budget.

Haiti Bible Institute: The ministry is moving forward, and your continued support to maintain the school is vital. We have saved accumulated donations for Haiti from 2019, so we need only \$15,000 more to complete the payment for the upcoming module.

Grace and peace,

Doc & Anna Bearss
