Dear Friends of On Target Ministry,

HAITI: FEBRUARY MODULE GREAT SUCCESS

The February 2020 Module exceeded all our expectations! Professors Svendsen, Monroe, and Jenkins each taught two courses. This was the first module where a total of six courses were taught. Our students rose to the challenge and did very well in each course. Two students earned all As.

HAITI: THE BIRTH OF NEW SCHOOLS

Church planting is the heart of our teaching to the pastor/students at Haiti Bible Institute. Eighteen new churches have been established by our faithful graduates. However, an unexpected achievement of our graduates is **the founding of new schools** to teach truth to local pastors.

One school started in Port-au-Prince in 2014: “Seminary of Biblical Theology Hillel” (SBTH). HBI graduates opened the school to train local Pastors and Sunday School teachers. Their students are

being trained with the same materials and courses we used to train the HBI graduates! SBTH has already had one graduation in 2018 and are now teaching a new group of students. It is so exciting to see **2 Timothy 2:2 in action**. The faithful men trained at HBI are now teaching others the same truths they have learned.

Another new school opened in the Dominican Republic. HBI has now gone international! 3 HBI graduates found a large group of Haitian pastors in Santo Domingo and started the “Bible Institute of Santo Domingo” to train these men who so eagerly agreed to study the Bible. Bible truth is being taught faithfully and completely to so many others through the faithful ministry of HBI.

I was humbled by a short text from Meme Elicene, a 2016 HBI graduate and founder of SBTH: “*Doctor Bearss, Your faithfulness in Haiti is producing fruit for God’s glory. This is your legacy!*”

COLOMBIA: 40 NEW STUDENTS IN MEDELLIN

Anna and I will be traveling to Colombia at the end of March. The school in Medellin will prove to be an exciting opportunity to train more men for ministry. Over 40 new students are now attending the Seminary there. These new students come from Colombia and several other Latin American countries. Once they have completed their training, they will return to their countries and begin the work of preaching truth and planting new churches and schools!

NEEDS: HOW YOU CAN HELP

Regular Donations: We would be delighted to include you in our regular Support Team. A faithful monthly gift to On Target Ministry will help us tremendously with our planning and fulfillment of our mission to train national pastors to preach the only true Gospel.

Planned Estate Giving: Remembering On Target Ministry in your will is vital to the long-term success of our work overseas. If you would be willing to help us in this way, our Office Manager, Mr. Delmar Mohler, is highly qualified and ready to help you. Call him at (515) 664-0600.

Haiti Bible Institute: The next Module is October 2020. We need to raise \$20,000 to pay for this module. Be praying now that God will prepare the hearts of givers to help us meet this ongoing need. As you can see, HBI graduates do amazing work for the cause of Christ. *Soli Deo Gloria!*
