Dear Friends,

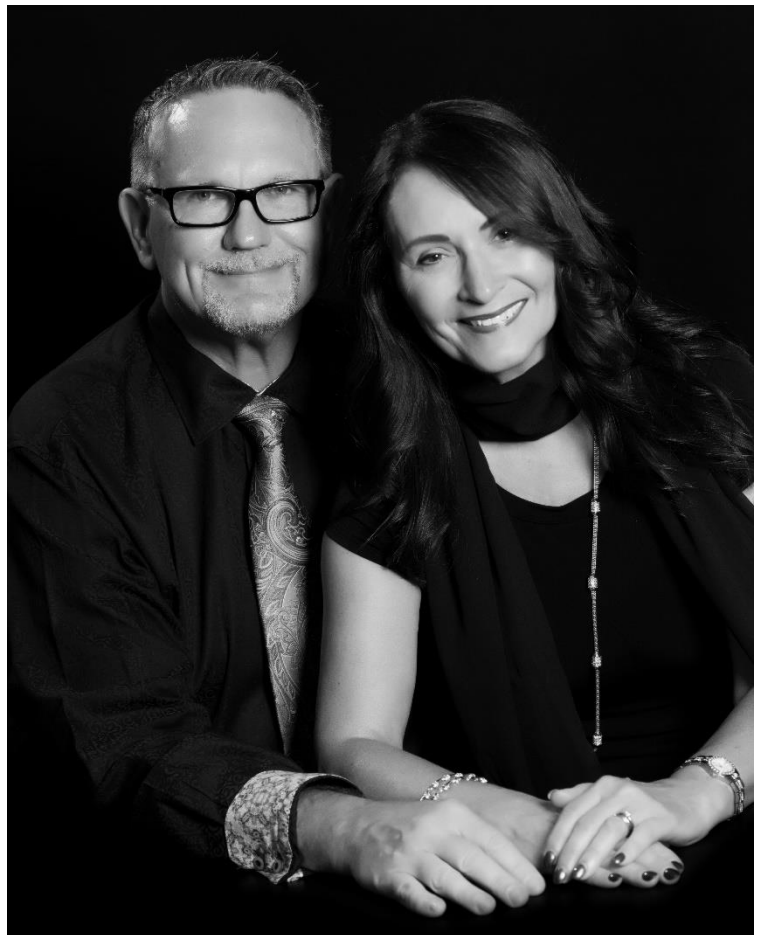

### **WORKING FROM HOME**

As you are well aware, we are in the midst of an unprecedented crisis. It is world-wide. As a result of the Coronavirus, we have had to temporarily halt our travels to Haiti and Latin America. **But the teaching continues to move forward!** Thanks to the technology of video streaming, we are able to continue teaching our classes via video. Both the students and the professors agree that this is not the best way to conduct classes, but it is still better than the alternative. Nevertheless, I am very eager for the crisis to be over so we can once again travel and teach in person.

The time at home has had some benefits. Currently, I am working on new courses that I will be able to teach in Haiti and Latin America. Course development is quite time consuming, but we now providentially have the time to devote to it. Praise God for that!

### **HAITI: CORONAVIRUS UPDATE**

Thankfully, Haiti has not been hit hard by the virus. As of today, there are 108 total Coronavirus cases with 12 deaths and 15 full recoveries. Please pray with us for God to protect our students and their ministries. These men are still doing the work of the Lord and looking forward to the module we hope to teach in October 2020.

I am in contact with many of the students and praying with them for God to meet their needs. They have a very positive attitude and have not been discouraged in their work of ministry.

## COLOMBIA: CLASSES CONTINUE ON VIDEO

The school in Medellin wisely recorded all my classes since I began teaching there in 2013. Therefore, there is a large video library of full courses that the school can use to continue the education of the Class of 2020. In Colombia, the students are allowed to remain at the school as long as they stay quarantined. There are also many Colombian professors who can come to the school and teach live classes.

You can also benefit from the video teaching. On the On Target Ministry website several

of the courses are available for you to view. Let me know if you are watching a course, and I will send you all the course materials you will need to effectively study.

## A WORD OF ENCOURAGEMENT

Isaiah 55:11 “So shall my word be that goeth forth out of my mouth: it shall not return unto me void, but it shall accomplish that which I please, and it shall prosper in the thing whereto I sent it.” **Even though we have been temporarily grounded, the work of the Lord is still going forward.** We are still teaching the Bible, and our students are learning and teaching the same truth to others. No virus can interrupt what God is doing. I find great comfort in that promise from God.

## NEEDS: HOW YOU CAN HELP

**Regular Donations:** I am so thankful that you have continued to give and support this ministry. Every day we pray that God will sustain us and meet our needs. Anna and I are so very grateful for the support you send us. You enable us to do this vital and unique work. We love you and pray every day that God will bless you for your generosity.

**Haiti Bible Institute:** The next Module is October 2020. We need to raise \$20,000 to pay for this module. Be praying now that God will prepare the hearts of givers to help us meet this ongoing need. We are fully confident that God will allow us to travel to Haiti in October to continue to train our HBI students who are doing amazing work for the cause of Christ. *Soli Deo Gloria!*

Grace and peace,

*Doc & Anna Bearss*
