Dear Friends of On Target Ministry,

PRAY! PRAY! PRAY!

Graduation Day is coming! October 6, 2021 will mark the end of four long years of study in the Word of God. Our students in Cohort 3 will reap the reward of their faithful study: they will earn their **Associates Degree in Biblical Studies**. We will graduate all 15 men, and we are happy to report that all of them are pursuing ministry. Some are pastors, some are Bible teachers in their churches, and some are planting churches in small villages in the remote provinces. Others have founded Bible training schools in their churches and are currently teaching pastors the same truth we taught them. Still others are being prepared to teach Bible courses in HBI for the students of Cohort 4 which starts in March 2022, Lord willing. On Target Ministry is making a great impact for the cause of Christ in Haiti.

THE ENEMY IS HARD AT WORK

Satan is always hard at work in Haiti. This nation has experienced unprecedented turmoil and violence. It is a very difficult mission field. In July, a hit team assassinated the President of Haiti and seriously wounded his wife when they were attacked in their home in the dark of night. This has led to the US Government issuing a "Do Not Travel" advisory for Haiti. But after discussing the situation with our people on the ground in Haiti, we have decided to go to Haiti in October and conduct Module 8 and the Graduation. We will make the final decision to travel at the end of August, so **pray, pray, pray!** Unless the situation worsens dramatically, we will trust God and go to Haiti to do the work God has called us to do there.

HOW YOU CAN HELP US

Pray! In Scripture the Apostle Paul tells us about the many dangers he faced during his ministry. But his trust in God enabled him to carry on despite much opposition. He thanked the believers at Corinth for praying for him: “Ye also *helping together by prayer for us ...*”

(2 Cor. 1:11a). From this verse we learn that **prayer helps!** So, you can help us by committing to pray for Haiti from now until we conduct the graduation module in October. Pray for the students, their families and churches, the country, and us as we travel there. What a great victory it will be to successfully complete this module of Bible teaching and graduate these faithful men who have worked so hard to learn the Truth of God’s Word.

Give! You can also help by giving to meet the cost of this module. Already \$10,400 has been received for the Graduation Module. Praise God for this blessing! The total need is \$20,000, so we still need your support. Please pray about sending a gift to help us continue our mission in Haiti. It is faithful and generous givers like you that make all this possible.

Thank you for your support!

Grace and peace,

Doc & Anna Bearss
