Dear Friends of On Target Ministry,

MODULE 1 COMPLETE!

COHORT 4 HAD A GREAT START

In February 2022, Cohort 4 enrolled fifteen faithful pastors into our four-year program of Bible instruction. In Module 1, they took six Bible courses and began the learning adventure that will equip them to be faithful expositors of the truth of God's Word. We are excited about this group and believe that God will use them in mighty ways to impact the spiritual needs in Haiti. Haiti needs the truth more than any other thing. This is what HBI is all about.

HAITIAN PROFESSORS

In Module 1, four graduates of HBI taught courses. Spencer Bazile, Meme Elicene, Picot Mackenson, and Franklin Roberts have distinguished themselves as faithful teachers of the Word of God. Their participation in the teaching is fulfillment of the long-term goal of HBI. As we continue to train pastors, we trust that even more will enter the ranks of teachers.

A SERIOUS NEED EXISTS

For the first time since the school was founded in 2009, we were not able to raise the necessary funds needed to fully cover the costs of the module. We need \$20,000 for each module. This covers the cost of the facilities, the translators, the materials, and the Haitian teachers. The remaining need for Module 1 is \$9,750. We are praying this amount will be

given before we need to start raising funds for Module 2. The future of the Haiti Bible Institute depends on the faithful giving of those who believe in the biblical model of 2 Timothy 2:2—teaching faithful men to teach others also. Without your help, the school cannot exist. Please pray that God will lead you to donate to this worthy ministry and help us ensure that Haitian pastors will continue to be equipped to carry on truth teaching in Haiti.

TEACHING FAITHFUL MEN

The long-term purpose of the Haiti Bible Institute is to train faithful men to teach others also. We have assigned Cohort 4 the task of teaching the six courses they were taught in Module 1 in their churches and in community Bible studies. This not only provides a great opportunity for evangelism, but also it helps the students to confirm all the truth they have learned by reteaching the Bible material they learned.

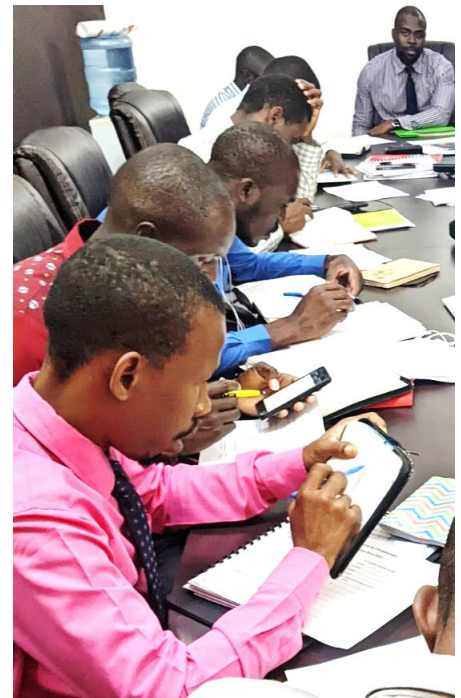

A FINAL WORD

Module 2 is scheduled for September 28 to

October 5, 2022. This summer we will begin appealing to you to help us with the cost of this module. But first we need to receive the funds needed for Module 1. Your faithful giving is the key to sustaining this valuable and unique ministry. **Thank you** to all who have given, and we trust that God is blessing you for your vision to impact Haiti with the gospel preaching. We have always trusted God to meet the needs of our school. This we will continue to do!

Grace and peace,

Doc & Anna Bearss
