Dear Friends of OTM,

MODULE SUCCESS

MODULE THREE IS IN THE BOOKS!

God provided the full financial need for this module while we were still in Haiti! What joy and rejoicing we all felt. The students asked me to thank you on their behalf! This school is very important to them. So, thank you to everyone who contributed to the success of this module. One student said, "I pray that God will never allow this school to die!" This Cohort is a remarkable group of serious, dedicated students who are eager to learn truth and preach it in their churches. They are seeing much spiritual fruit from their labors, and they are making a difference in the lives of many for the cause of Christ.

In Module 3, Pastor Steve Svendsen (*left*) taught the book of Hebrews and a course in Biblical Counseling. Steve was the first teacher I took with me in 2009, and he has served faithfully every year since then. We appreciate his dedication to the school and students he is training in Haiti.

Also in this module, Franklin Robert, a Masters graduate from the Haiti Bible Institute, taught the book of Psalms and a course in Apologetics. Franklin is an excellent teacher and the students benefit greatly from hearing the lessons he taught directly in their own French language. We are delighted to see how God has honored our goal to train up men who are able to teach in the school. The mission's model from 2 Timothy 2:2 works!

MINISTRY IN COLOMBIA

Next up is Colombia. We will be teaching two weeks in Medellin, Colombia this April. The pastors we are training are doing a marvelous job planting new churches in this predominantly Catholic

country. The men we train often go to cities where there is no voice for the Gospel of Jesus Christ. Pray for us to help them complete this important mission by arming them with the truth of Scripture.

MODULE 4 IN HAITI IS COMING SOON HERE'S HOW YOU CAN HELP

Module 4 for Cohort 4 of the Haiti Bible Institute is scheduled for **September 27 to October 4, 2023**. Donations of help pay for this module are needed. We must raise \$20,000 to pay the module in full. The good news is that already \$4,200 has been given toward this module! Praise God. We are off to a great start. As always, your generous giving is greatly appreciated and necessary for the success of the school. Pray for God to once again provide!

Anna and I are praying that God will raise up **new donors** for On Target Ministry and the Haiti Bible Institute. Some of our most active donors have now gone to be with the Lord. Pray that God will lead you to step in and make up the difference. This ministry is a valuable investment in the biblical education of Haitian pastors and in the gospel outreach in Haiti. Your giving will answer our prayers and the prayers of our students.

Grace and peace,

Doc & Anna Bearss
