Dear Friends,

GOING TO HAITI!

MODULE 4 STARTS SEPTEMBER 27th

Module 4 for Cohort 4 of the Haiti Bible Institute is scheduled for **September 27 to October 4, 2023**. Donations are needed to help pay for this module. Each module costs \$20,000. The good news is that over \$6,000 has already been given toward this module! Praise God for that! We have one month left to receive the remaining funds to pay for the module. As always, your generous giving is greatly appreciated and vitally necessary for the success of the school.

When we started On Target Ministry in 2006, we knew it would be a partnership between us and people like you who believe in our mission to train national pastors overseas in the truth of the Word of God, and who believe in the biblical model of teaching faithful men who will teach others also. Over the years God has time and again confirmed our ministry by always supplying the financial need to conduct the teaching modules. But not only that, God has now blessed us with four graduate students who have excelled in their studies and are now able to teach Bible courses in the school.

In Module 4 we will be using all four of our Haitian teachers. Franklin Robert, Picot Mackenson, Meme Elicene, and Spencer Bazile will each teach a course.

This will be a great benefit to the students to hear these excellent teachers convey Bible truth in their own language. The missions model given to us in 2 Timothy 2:2 is working to perfection!

WHAT ABOUT THE DANGER?

Haiti has been in the news showing reports of violence and kidnappings. We are aware of this. We keep regular contact with our Haitian representatives to get their feedback on whether it is safe for us to travel there. They have assured us that we can come to Haiti next month and take the necessary precautions to remain safe. Yes, it is a bit scary when you see the images on TV, but God has given us this mission field for service to Him, and we are trusting Him to keep us safe. I ask the question, “Is fear a valid reason to stop serving God?” I say, “No, it is not!” We believe in a sovereign God who is providentially in control of all things! When God opens the door for ministry, we should march through it with confidence in Him.

HAITIAN STUDENTS RECEIVE A TOTALLY FREE EDUCATION

Since we do not charge the students for the teaching they receive, it is imperative that donors provide the needed money to cover the cost of the module. We have conducted 30 teaching modules in Haiti since the school was founded in 2009. God has met the need every time through the faithful giving of our dedicated support team: people like you who believe in the authority of God’s Word and the biblical mandate to train national pastors to be well-equipped with biblical truth. Do you want to make a valuable investment that reaps eternal reward? Then please consider giving to support the Haiti Bible Institute. Your gifts will make a great impact on Haiti for the cause of Christ and help spread the gospel of God to many in that needy nation.

Grace and peace,

Doc & Anna Bearss
